## (CME) Paramedic Core Content Course – Winter 2012

The Regional Emergency Medical Organization will conduct a complete NYS approved Pilot/CME Paramedic Core Content course. This 9 session program includes 48 hours of core content required for Paramedic CME Refresher participants plus required verification of practical skills. There is also an optional day for renewal of ACLS, PALS and CPR for an additional \$50.00 per course. The total 48 hours of CME/Pilot refresher training can be used to meet CME program refresher requirements. The course will run on Tuesdays from 9 am to 4 pm. All sessions will be held at 431 New Karner Rd (new REMO offices).

This course has been approved by NYS-DOH/BEMS and participants will receive completion verification with course number at the end of course. Tuition for this course is \$500 payable the first night of class. (CME/pilot agencies are eligible for NYS reimbursement following completion of the refresher course)
