

2009 Seasonal Flu Vaccine Program for EMS Workers

Prime Care Physicians is making seasonal flu immunizations (flu shots) available to EMS workers this year through the Urgent Care Center at Patroon Creek in Albany.

Immunizations are available to EMS providers at the discounted rate of \$18 per patient, or \$15 per patient when pre-registering with an EMS agency. A minimum of 7 patients are required to obtain this organizational discount. Shots are now on hand at the Center, and will continue to be available while supplies last through January 2010.

To qualify for the discount, simply present either a valid REMO ID or NYS EMT Card at the time of registration. Agencies wishing to enroll in the program need to contact the Center in advance to make proper arrangements.

Prime Care Urgent Care is located at 400 Patroon Creek Boulevard in Albany, off Washington Avenue across from the State Office Campus, near SEFCU and the CDPHP Building. It is easily accessed from I-90, at Exit 4.

Prime Care Urgent Care is open 7 days a week.
